

# MISSION BRIEFING

## PERSONNEL AND EQUIPMENT ACQUISITION

### OBJECTIVES

**RED SQUAD: PRIMARY - RESCUE THE TAKKAS**

**SECONDARY - RECRUIT THEM TO OUR TEAM**

**GOLD SQUAD: PRIMARY - ACQUIRE THE PRINTING PRESS**

**SECONDARY - RECOVER ANY FILES OR DATA**

Chulo & Grexi Takka are local dissidents who own and operate a printing press in downtown Bin Prime. Their *office* was raided this morning, but the Takkas were thankfully not present. Imperials are planning a second raid on their *apartment complex* late tonight. I will attempt to delay them as long as possible.

Damaria & Sprend, you are *Red Squad*; locate and rescue Chulo & Grexi and discretely return to the *safehouse*. Try to recruit them to our team; their expertise is invaluable.

Tor-nenko & Dash, you are *Gold Squad*; if possible, sneak past the guards, disassemble the press and recover it and any other valuables or data on the premises that the Imperials might want.
